

## CS 192 Software Engineering II

### Lessons Learned Report

**Prepared by:** Miguel Luis G. Posadas

**Date:** Mar 22, 2017

**Developer's Group Name:** 2 Sabaw Guys

**Project Name:** Wi-Finder

**Sprint Number:** 4

1. What were the main lessons your team learned in this sprint?

We were able to streamline the work and figure out an easier way to combine our work.

2. Describe one example of what went right in this sprint.

We worked on different aspects of the project this time.

3. Describe one example of what went wrong in this sprint.

We weren't able to push it on time

4. What will you do differently on the next sprint based on your experience working on this current sprint?

Plan ahead and consider time allotted for other activities.
