CS 192 Software Engineering II
Lessons Learned Report

Prepared by: Zechariah B. Jimenez

Date: Feb 8, 2017

Developer's Group Name: 2 Sabaw Guys

Project Name: Wi-Finder

Sprint Number: 1

1. What were the main lessons your team learned in this sprint?

We should've prepared more for the sprint.

2. Describe one example of what went right in this sprint.

The git repository was set up well, and we were able to begin porting our project from CS 180 last semester.

3. Describe one example of what went wrong in this sprint.

We didn't manage our time well (mostly me).

4. What will you do differently on the next sprint based on your experience working on this current sprint?

We would have better time management.
